Copy of the letter is found not kept in the file. The original does not form part of the record at the time of scanning.

Recommends Sanction to the Byelaws framed by the Seringapatam Town Municipal council for the Registration of the Vehicles.

Govt order No L 7501/Jud 64-22-102 dated 19.3.1926 Sanction has accorded to the Byelaws framed by the Town Municipal council of Seringapatam. for the registration of bicycles and tricycles, with the observation that the registration of carts and carriages can not be insisted upon. under the provisions of the Municipal Regulation and that a separate registration of motor Vehicles by Municipal Councils. has neither expedient nor desirable, as such Vehicles are being registered by the District magistrates.

The Deputy Commissioner now states that the Seringapatam Town council have again resolved that all Vehicles within the municipal limits of the town. may be registered in order to enable the municipal Revenue and recommends, on the ground similar Byelaws are existing Holenarsipur municipality

may be accorded to the Salaried Byelaws now framed by the Senigapatam Select.

3) When once it has been stated by the Govt. that registration of carts, carriages & motor Vehicles can not and need not be insisted upon, the contention of the Deputy Comm that because such Registration is allowed in the case of Holenarsipur Town Municipality, the Senigapatam municipality, which has objected otherwise, should also be permitted to adopt such registration, is not tenable.

The Deputy Commissioner has, in his present Recommendation brought to the notice of the Govt. that such Byelaws are existing in the Holenarsipur Municipality.

5) In so much as the absolute abolition of Registration of carts, carriages and motor Vehicles has been made only on the 19th March 1924, it should only be a natural conclusion, that all Registration Byelaws sanctioned for other Municipalities prior to that date should naturally contain the clause which has objected to, in the case of Senigapatam municipality

6/10 To avoid similar representations from other Municipalities it seems to be best to issue a circular to all the Deputy Commissioners pointing out that existence of such a clause is objectionable and requesting them that in case such a clause should find a place in the Registration Bye laws many of all the Municipalities in their respective Districts necessary steps may be taken to delete it and have Model bye laws issued in each case for their approval.

Section 46 does not provide for the registration of Carts & Carriages. So if a bye law is framed providing for registration of Carts & Carriages it will be ultra Vires the Registration. Besides under Section 5·9 (ii) Carts & Carriages may be taxed as Vehicles. If they are taxed under this rule & if again a fee is charged for registration there will be

intention of the municipality seems to levy the fee, for they want to improve their finances. If with the levying of the taxes.

As in regard to motor vehicles, Sec 48 (jj) empowers the municipality to frame a by-law for registering them. There seems to be no necessity for fresh registration since under the Motor vehicles Rules they are registered by the P & T Dept and no fee

Besides the municipality may levy a tax on motor vehicles under section 59 (ii) & they can devise & raise money there is no necessity for registering them when by registration they cannot levy a fee for it.

Besides section 48(jj) as it stands seems to show that for registration no fee can be levied.

The municipality such a by-law, may have to take an amendment
